Explanation of Responses:

- Represents grant of the restricted stock units payable solely in common stock that vest in equal annual installments over four years from the grant date.
- The sales reported on this Form 4 represent shares required to be sold by the Reporting Person to cover tax withholding obligations in connection with the vesting of Restricted Stock Units. These sales are mandated by the Issuer's election under its equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a "sell to cover" transaction and do not represent discretionary trades by the Reporting Person.
- The stock option vests in 48 equal monthly installments following the date of grant.
